

The Ballygally Castle is the perfect base from which to explore the locations where many pivotal scenes were shot for Game of Thrones. The producers used locations across Northern Ireland, but the spectacular Causeway Coast has more than its fair share of appearances. Only a few miles from Ballygally Castle are Cairncastle, Cushendun Caves, Slemish Mountain and the village of Glenarm all of which have close connections to the iconic show.

To Find out more about these areas of interest just go to our Game of Thrones information boards towards the entrance of the hotel or ask any member of staff for assistance.

'This Afternoon Tea is independently operated by The Ballygally Castle. It is not sponsored, endorsed, or affiliated with HBO or anyone else associated with Game of Thrones'.
